DID YOU KNOW???

-Diaper needs impact the physical, mental, and economic well-being of children and parents.

-1 in 3 U.S families is in need of diapers.

-Diapers can cost \$70-\$80 a month.

-Babies need 6-10 diapers per day.

-Most child care centers require parents to provide a day's supply of diapers.

-Government assistance programs do not cover diaper costs.

**DIAPERS ARE IMPORTANT AND
DIAPERS ARE NEEDED!!!
Help us help families in our community.**
