

## **HEAD START/EARLY HEAD START HEALTH COORDINATOR**

Families First of Minnesota has an immediate opening for a **Health Coordinator (full-time)** in its Head Start/Early Head Start Program. This position manages the health and safety domains of the Head Start Program and supervises assigned staff. This position is responsible for compliance with all Head Start Performance Standards related to nutrition, medical, mental health, disabilities, dental health and safety, and ensuring that parents and community members are involved in the process.

The ideal candidate will have a Bachelor's degree (B.A.) in health or a related field (RN or LPN preferred). Knowledge of Head Start Performance Standards is helpful as well as experience with families from diverse and low-income populations. Proficiency in computer and software use a must. Ideal candidates will be detail-oriented and have excellent organizational skills and the ability to work as a part of a team.

If you or someone you know is interested in applying for this position, please visit our website at <http://familiesfirst.iapplicants.com/>.

Position will remain open until filled. Families First of Minnesota is committed to creating a multi-cultural, bias-free agency.
