

How To:

Creating an Account

Welcome to the Families First Online Learning Platform.

If you already have an account, please enter your Username/Email and Password in the appropriate fields.

If this is your first time accessing the Learning Platform, please navigate to the hyperlinked "Register" button for new users.

Clicking this link will take you to the registration page. Please fill out all required fields and choose an email you have regular access to, as you will need this email to complete your registration.

Once you have finished, please navigate to the bottom of the page and click the green "Register" button.

The registration request will now be sent to the email address you listed on the form.

The registration request email will arrive within fifteen minutes to your inbox. If you do not see the email within fifteen minutes, please check any spam or junk folders. As well as any spelling errors you may have made on the original registration request form.

To complete your registration, please click or copy and paste this link in your browser.

Now your registration is complete. Please click the sign in button to access your account on the Online Learning Platform.
