PARTICIPATION AGREEMENT

Program Responsibilities

I understand that to be eligible to apply for and receive a Child Care Services Emergency Grant, my program must be licensed and currently operating and serving children. My program is not allowed to have any of the following licensing violations with the state of Minnesota: temporary immediate suspension, suspension, revocation, or a maltreatment finding. Tribally licensed programs must be in good standing with their tribal licensor.

I understand that if my program knowingly submits false or fraudulent information during any part of the grant application process, my program will no longer be eligible for funds. Any funds reimbursed during this grant process would be required to be repaid, and appropriate authorities would be notified.

Upon application and notification of funding award, my program agrees to:

- Provide active licensed child care in Minnesota for a minimum of two years from the date of the grant fund notification.
- Enroll interested families participating in the Child Care Assistance Program (CCAP) without discrimination if my program has vacancies.
- Not use funds to supplant expenditures for which there is another federal, state, Tribal and/or local public funding source.
- Make services available to families regardless of race, color, creed, religion, national origin, sex, marital status, disability, public assistance, age, sexual orientation, or familial status.
- Participate in any requested surveys and report forms related to funding awards.

Data Sharing

I understand that by signing this participation agreement, I am agreeing to allow the Minnesota Department of Children, Families, and Learning to share information with contracted agencies for the following purposes:

- Administer the grant application process
- Analyze data on use of grant funds
- Analyze the effectiveness of the grant administration process

The data that could be shared about my program is listed below:

- All data submitted, on paper or via www.developtoolmn.org, related to my program's participation in grant activities and grant documentation, including all information in my Organization Profile.
- The Learning Records of any early education professionals who have reported employment my Organizational Profile in Develop.
- Information on purchases made with the funds.
- Information regarding the grant administration process, including fund reimbursement to my program.

Disbursing Funds

I understand that if my program is awarded a grant, funds are:

- Paid on a reimbursement basis after training requirements are verified, unless otherwise noted.
- Reimbursed **only if funds were used in the intended purpose** as per the grant application and award letter.
